

Award Winner

Jenny Norman
Cherry Tree
Primary School

Jenny is our winner for the Autumn Term 2017/18 award. She works alongside our therapist, Hannah, and this is why she was nominated...

Jenny will be personally gifted with a voucher for one of our training sessions, as well as a surprise resource for her school.

“

“Jenny is an incredibly experienced member of staff at Cherry Tree Primary School.

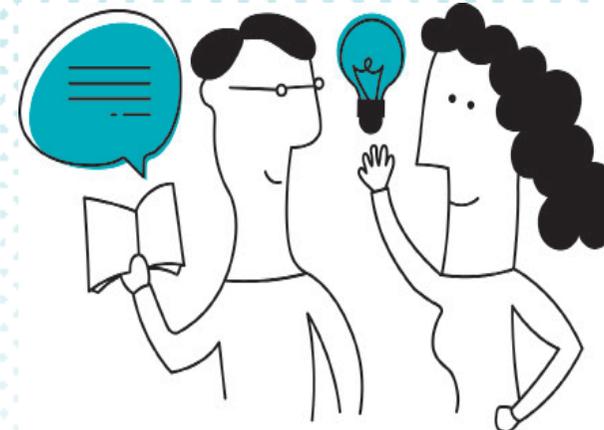

Jenny goes above and beyond to support the children with their emotional well being as well as their speech and language difficulties, which often go hand in hand.

She is an inspiration to work with!”

”

Hannah Bedford
Speech and Language
Therapist

The Update

Welcome back!

With another summer holidays over, the Communicate Team are ready to get back in to schools and do what we love, Speech and Language Therapy! We have some exciting plans for this year and can't wait to share them with you!

If you don't already, be sure to like our Facebook page and follow us on Twitter and Instagram, where you can keep up to date with everything the team are doing, including dates for our FREE Communicate groups.

Our training courses for this year are proving popular, so if you are interested in attending any of our courses, make sure to book your place soon.

Contact Hannah at communicate.hannah@gmail.com for further training information.

SenCo CPD Day

Dates for your Diary...

On the 22nd February 2018, we are very excited to announce that we are running a SenCo CPD Day, in collaboration with Acortree Psychology and Consultancy Services.

This day will include interactive workshops designed to support the increasing number of children that do not meet high tariff funding or EHCP criteria.

Workshops will be run by Dr Amanda Hull, Educational Psychologist at Acortree PCS, Hannah Bedford, Specialist Speech and Language Therapist at Communicate, and Martin Bohn, a Solution Focused Practitioner.

“We are very excited to be running this specialist CPD day for SenCo’s. When you look around, there are limited training opportunities for members of staff for these children, so we are hoping to fill that gap with this exciting training day!”

If you would like more information on this day or to book your place, please contact Hannah on: communicate.hannah@gmail.com/07738967901.

10am - 12pm

ELKLAN 5-11s (Accredited Course)

2nd November 2017
1pm - 3pm (10 x 2hrs)

SEND-Inspire

We are excited to share with you a local, innovative company, who some of the Communicate Team have worked closely with in various roles.

SEND-Inspire is a web based company, dedicated to supporting children with special educational needs and their educators. Their mission is to support teachers to set appropriate learning goals for pupils with special needs and disabilities. To inspire staff to teach these goals, making learning meaningful, fun and reportable.

“We believe every child should aim to reach the top of their tree, but if they find it more challenging to get above the lower branches then there should be lots of opportunities for them to flourish and grow in areas of special significance to them”

The online resource enables you to:

- Make an initial assessment
- Select learning goals
- Select co-curriculum learning goals
- Download activity plans
- Access effective resource ideas
- Include complex pupils
- Build an achievement timeline
- Celebrate pupil achievement
